## FATHER SHOT HIS SON WHO TOOK UP FOR HIS MOTHER

ONE M'GAHA OF HONEA PATH SECTION IN DIFFICULTY

### SON BROUGHT HERE

Boy is Said to Have Taken Mother's Part When Husband and Wife Had Some Words.

News reached Anderson last night of a tragedy near Honea Path in which a white man named McGaha is said to have shot and painfully wounded his son, who, it is alleged, took his mother's part when the husband and wife engaged in some words.

The father is said to have shot his son three times with a shot gun while standing at a distance of some 30 feet. A local physician was called to Honea Path to attend the boy, and late last night brought him to his office here, where he treated his wounds and afterwards carried him to the city hospital. The boy stated to a city policeman that one load of shot had struck him in the left eye and he thought that the sight had been destroyed. The other loads of shot took effect in the boy's limbs and body, but without serious results. The boy's wounds while painful are not thought to be serious.

The father's given name could not be learned, but he is said to be related to John McGaha, a well known citizen of the Honea Path section.

### BOY BADLY HURT

Had Scrap Last Night With Another About Same Age.

Lev Dubose, a little boy about fourteen years old of the Anderson Mill village, was badly hurt last night while scrapping with another boy of the mill, the fight occurred near the Burriss Milling company's plant. His head was badly beat up and when found the wounds were bleeding freely.

Dubose was discovered in front of The Intelligencer office and he was carried inside and made comfortable until medical aid could be summoned. There was a deep gash on the right side of his head and the wound was bleeding very freely, his clothes being stained badly with the blood.

Two little fellows who came along later stated that Dubose and another boy by the name of Jim Black got in a fight and that Black hit Dubose several times with a rock.

### CHEDDAR

Cheddar, July 26.—The Woodmen and Red Men will have an all day picnic at Cheddar, Saturday, July 31. Will have some good speakers on hand and two very interesting ball games. The Woodmen boys will play the school boys in the morning, the game to be called at 9 o'clock, and will be visiting team in the afternoon. Dinner will be served on the grounds. Everybody is cordially invited to come and bring well-filled baskets.

### Dr. H. N. Snyder Sunday.

Dr. Henry Nelson Snyder, president of Wofford College, will fill the pulpit at St. John's Methodist church Sunday in the absence of Rev. J. W. Speake, who is assisting in revival services at McCormick. Dr. Snyder is well known in Anderson and his friends here will be glad of the opportunity of hearing him.

### Card of Thanks.

We wish to thank our relatives and friends for their kindness to us during the recent illness and death of our beloved wife and mother. May God's richest blessings rest upon each one.

J. T. C. Jones and Children.

### Young Man Ill.

A telegram was received in the city yesterday telling of the serious illness of Mr. Richard S. Touser at his home in Bishopville. Mr. Touser was at the Fraser Fitting school during the last session.

## Ladies! Secret To Darken Gray Hair

Bring Back its Color and Lustre With Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wavy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

## CONCESSION FREIGHT RATES IN ANDERSON

MR. W. W. SULLIVAN RECEIVES LETTER OF INFORMATION

### GREAT ADVANTAGE

Would Be Gained By Rates and People Are Much Interested—Meeting Shippers Called.

In reply to a letter of inquiry from Mr. W. W. Sullivan to Mr. D. A. Henning, traffic manager of the Greenville Chamber of Commerce, in which it was asked whether or not it was agreed that Anderson, Greenwood, Greenville and other points along the Piedmont section would be benefitted by the concessions in freight rates ordered by the city of Spartanburg. Mr. Henning sent the following reply:

Dear Mr. Sullivan: I have your favor of July 23rd.

I have not yet received full text of the Interstate Commerce Commission decision in the Spartanburg freight rate case.

The press notice of this decision states that ocean and rail rates from the east to Spartanburg via Charleston were found unjustly discriminatory in so far as they exceed the ocean and rail rates to Charlotte. The ocean and rail rates are now to Charlotte:

	1	2	3	4	5	6	A
To Spartanburg:	91	80	67	53	46	36	29
	1	2	3	4	5	6	A
To Spartanburg:	114	98	86	73	60	49	36

If the present rates to Charlotte stand Spartanburg rates will be made the same, in other words the Spartanburg rates must not exceed the Charlotte rate whatever this is.

The decision also defines that the rates from Ohio and Mississippi river crossings to Spartanburg are unjustly discriminating in so far as they exceed the rates to Charlotte.

The present rates from Ohio and Mississippi crossings to Charlotte:

	1	2	3	4	5	6	A
To Spartanburg:	89	78	62	47	39	31	33
	1	2	3	4	5	6	A
To Spartanburg:	105	94	84	68	58	44	30

Your recollection as to the Atlanta conference March 27, 1914 is correct; my minutes of this conference show that the Carolina Line's representatives at the conference agreed that the Spartanburg decision would govern Greenville, Anderson and Greenwood.

I expect to have full text of the commission's decision in hand first of next week and will advise you definitely.

I may say in this connection that the decision in the Greenville and Anderson rates not to exceed the Atlanta rates and these figures would be made effective October 1st.

It certainly looks now as if the Carolina cities will be in good shape on the rate question.

The only trouble is the delay in making the commission orders effective.

Your very truly,  
D. A. Henning,  
Traffic Manager.

Meeting of Shippers.

Mr. Sullivan is in receipt of a letter from Mr. Henning, dated on Saturday, telling of an important meeting of the shippers and members of the state railroad commission which will be held August 5th. Mr. Henning's letter, and the communication from the railroad commission secretary are as follows:

Dear Mr. Sullivan: I had you herewith copy of letter from the Railroad Commission of South Carolina. I think it highly desirable that shippers be present at the conference with the railroad commission on August 5th and have so advised the commission.

The matter of classification is in reality the key to the rate situation and while it would be better to have a uniform classification it is certainly good business to see that no changes are made which will put South Carolina at a disadvantage.

Anderson is interested in this South Carolina exception next as it carries some commodities which I had put in for Anderson shippers.

Columbia, S. C., July 22nd, 1915.

To All Chamber of Commerce and Bureau of Trade of South Carolina.

On July 14, 1915, the representatives of the trunk line railroads operating in South Carolina appeared before the commission and held an informal conference in regard to eliminating and changes of certain items now appearing in freight classification of South Carolina Railroad Commission known as "South Carolina Exception Sheet No. 10 to Southern Classification." The matter was very carefully gone over as outlined by the railroads.

The commission wishes to have an informal conference with representatives of the trades bodies of South Carolina on the same line as they had with the carriers, going over each item in the Exception Sheet and getting the views of the trades bodies as to any changes of classification; therefore, the commission will hold an informal conference on Thursday, August 5th, at 10 a. m., in their own Union National Bank building, Columbia, S. C., and will be glad to have representative of your organizations present. After this conference a date will be set for formal hearing with representatives of both railroads and trades bodies for final adjustment of the matter.

Please acknowledge receipt. (Signed) J. P. Darby, Secretary.

## DEATH IN ELBERTON OF J. E. WAKEFIELD

OCCURRED SUDDENLY SUNDAY MORNING—RELATIVES HERE

### WAS WELL KNOWN

Formerly Lived Near Antreville Where He Was Engaged in Farming.

Mr. James Elliot Wakefield, formerly of Antreville, died at the home of his daughter, Mrs. Clarence Harris in Elberton, Ga., early Sunday morning. Funeral services were held yesterday afternoon at 5 o'clock at First Creek church in Abbeville county and interment was made in the adjoining cemetery.

Until about a year ago Mr. Wakefield was engaged in farming near Antreville when he moved to Elberton to make his home with his daughter, Mrs. Harris. Sunday morning he went to the barn to feed the horses and later when his daughter called to him she received no reply. Upon investigation she found that her father had expired suddenly. He was 70 years of age and had been in good health. Heart failure is supposed to have been the cause of his death.

Mr. Wakefield served with the company of the 16-year-old boys during the War Between the States and saw active service. Later he married Miss Elvira Clinkscales and from this union five children survive. Three daughters, Mrs. D. S. Moore of Woodruff, Mrs. Chris Suber of Williamston and Mrs. Clarence Harris of Elberton; two sons, Mr. J. E. Wakefield, cashier of the Bank of Piedmont and Mr. Henry Wakefield, cashier of the Bank of Iva. Mr. Wakefield is also survived by four brothers, Messrs. J. A. Wakefield of this city, T. T. Wakefield of the county, and E. D. and D. M. Wakefield of Greensboro, Ga.; also one sister, Mrs. Ezekiel Norris of Antreville.

About three weeks ago Mr. Wakefield was in Anderson visiting his niece, Mrs. H. H. Watkins. The news of his death will be learned with regret all over Anderson and Abbeville counties where he was widely known. He was a true Christian gentleman and by his death a good man is lost.

## DEATHS

Death of Mr. Jolly.

News has reached the city of the death of Mr. Jolly, father of Mr. George Jolly of the Sullivan Hardware company, which occurred Saturday night at the home of his daughter in the Fork section of the county. Mr. Jolly was 72 years of age. Funeral services were conducted Sunday afternoon at Level Springs church by Rev. W. R. Hawkins.

Besides Mr. Jolly of this city, Mr. Jolly is survived by his wife, another son and four daughters. He was a prominent farmer of Anderson county.

### Eat Less and Take Salts For Kidneys

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
